STATEMENT OF ADDITIONAL  
GROUNDS FOR REVIEW

I, DAVID JOHNSON, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

Abuse of Discretion on trial Judge For denial of my Sixth Amendment and For denial of my 14<sup>th</sup> Amendment.

The trial judge refused me co-counsel when I went pro-se and I was picking my jury and the judge allowed the D/A to Remove Jury instructions the included the Lesser charges that could have been found against me

Additional Ground 2

14<sup>th</sup> Amendment protects me against due process and not to deny me equal protection of the law. By my trial Judge not seeking a suppression hearing before denying to admit evidence to the court by defence he Abused his Discretion and my 14<sup>th</sup> Amendment.

If there are additional grounds, a brief summary is attached to this statement.
